Bag only for bag awning replacement fabric see page 65.

Fabric colors (\*\*) See the color card at the beginning of catalogue.

There are previously installed metal zippers on the bag awning. This will permit your customer to buy a screen room or add-a-room at a later date. Your new tent-trailer client will be happy to know he can increase his living space so easily. The bag will exceed the fabric of 3 1/2" on each side and has a height of 6 1/4".
